Effective February 1, 1982, the NLRB Election Report will be converted from free distribution to a paid subscription service.

This change is made necessary by NLRB's budget restrictions. The Election Report has been distributed without charge since 1962.

The Election Report subscription will be in the neighborhood of $20 to $25 for twelve monthly issues. The Superintendent of Documents, U. S. Government Printing Office, will set the exact price in the near future, and all recipients of the Election Report will be notified in time to order the publication.

NOTICE

Effective February 1, 1982, the NLRB Election Report will be converted from free distribution to a paid subscription service.

This change is made necessary by NLRB's budget restrictions. The Election Report has been distributed without charge since 1962.

The Election Report subscription will be in the neighborhood of $20 to $25 for twelve monthly issues. The Superintendent of Documents, U. S. Government Printing Office, will set the exact price in the near future, and all recipients of the Election Report will be notified in time to order the publication.
