SUBJECT: Production Errors

We regret that the following errors occurred during production and assembly of the April 1983 (ER-257), May 1983 (ER-258) and June 1983 (ER-259) NLRB Election Reports:

1) The covers of the April and May reports were interchanged: April's cover contains May data and May's cover contains April's data.

2) The May and June "Results" tables (beginning immediately after Summary Table 6) indicate in the upper left corner of each page: "FOR CASES CLOSED: MAY (or JUNE) 1984." The year "1984" is a misprint. It should be "1983."

We apologize for any inconvenience resulting from these errors.
